

Bio Washroom Cleaner

Superior microbial cleaning of washrooms

The Biological solution for fast, effective and long lasting washroom cleanliness.

KEY PROPERTIES

A biological washroom cleaner that digest and cleans rapidly the very worst of washroom spills – Meets the new Euro regulations for washroom cleaning.

Can be used to clean floors, walls, cubicles and washroom surfaces.

Its blend of non-hazardous, micro-organisms and chemical teaming agents remove washroom grime, biologically degrade washroom spills and quickly removes odours.

APPLICATION

- Dilute to 1:20 in warm water and apply.
