

Spill Gel

Absorbing Unpleasant Spills

Spill Gel is a unique product that quickly absorbs unpleasant spills including vomit, diarrhoea and blood.

KEY PROPERTIES

Spill Gel is a free flowing powder that makes simple the handling of unpleasant spills. Containing an absorbing gel powder it solidifies liquids and solids on contact making spills easier to handle and remove.

TYPICAL USES

- For the handling of unpleasant spills typically in:-
Hotels, Pubs, Clubs, Restaurants, Theatres, Nursing Homes, Public Transport, Taxis, Ambulances and Homes.

TECHNICAL DATA

pH	7.0
Properties	White powder swells on contact with liquid

APPLICATION

- Simply pour around and onto the spill.
- Leave for 1 minute and Spill Gel will instantly convert spillages into a stable non leaking gel that can be easily handled and disposed of.
- After removal apply Bioclean to the area of the spill surface to provide a clean and fresh surface.

PACKAGING

2Ltr and 4Ltr Tubs.

SAFE HANDLING

Store in original containers and avoid extremes of temperature.
