TOOL HIRE **WORKSHOP**

TRIED, TESTED AND TRUSTED TO DELIVER

Our range of Workshop Cleaning and Maintenance products have been created following many years’ experience supplying Tool and Plant Hire Workshops This on-the-job evaluation and attention to customer feedback has ensured a user-friendly product range that meets industry demands to the highest standard. Wherever possible we use the latest available proven technologies - our team of chemists and microbiologists constantly explore what’s possible.

We provide innovative cleaning solutions, replacing potentially hazardous chemical products with effective water-based or safer solvent-based solutions –protecting the health and safety of technicians and lowering impact on the environment.

Our range assists in best practice for Workshop Cleaning and Maintenance, ensuring efficiency and compliance in the light of ever changing and more stringent and demanding regulations. We replace traditional aerosols with more environmentally and user-friendly trigger spray products.

AS TRUSTED SUPPLIERS TO THE HIRE INDUSTRY WE AIM TO HELP COMPANIES:

- Improve Customer Quality perception – equipment looks well maintained
- Provide efficient methods of cleaning – reducing downtime between hire
- Reduce waste production – saving costs
- Health & Safety : Improve work environment and safeguard employees
- Environmental Standards : Lowering your impact on the environment
- Improve sustainability: Visible and quantifiable improvement in sustainable practice meeting corporate strategic objectives.

Significantly Reduced Hazard Labelling and simplified CoSHH Assessment across all your workshop and maintenance areas.

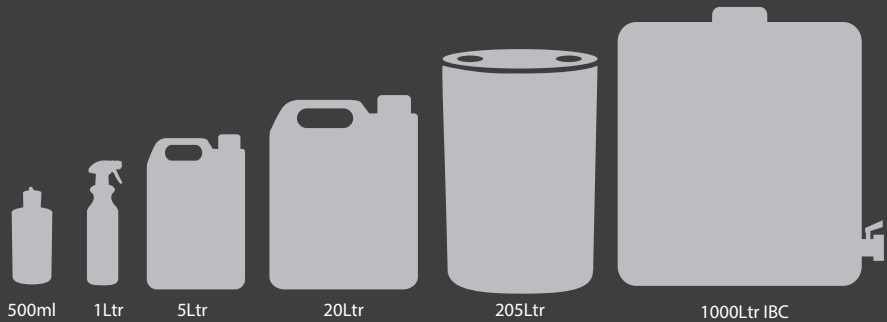

SPEED IS CRITICAL TO YOUR BUSINESS

Our dedicated range of products will help you clean, refurb and finish parts and small tools, quickly restoring them to their best presentation, ready for hire out to the next customer. All our Tool Hire Workshop Solutions have been developed to effectively, clean, protect and restore:-from all-purpose maintenance sprays and penetrants, to cleaners and degreasers for electric sensitive areas, restorers for plastics, vinyl and coated surfaces and water-based alternatives to cellulose thinners and paint strippers.

We also have a range of vehicle cleaning and valeting products if you run your own fleet; Personal Protective Equipment, application sprayers and ancillary goods plus an extensive range of sustainable cleaning solutions from eco-friendly parts washers and automatic spray wash systems to oil stain removal technologies.

WORKSHOP & MAINTENANCE

MAINTENANCE SPRAY/PENETRANT

- All purpose maintenance spray for dewatering, light lubrication, anti-corrosion
- Frees seized joints and threads
- Corrosion protection
- Leaves a high lubricant film on sensitive metals

SIZE: 6 X 500ml 2 X 5Ltr
CODE: 22001138 22001139

ELECTRIC SAFE SOLVENT DEGREASER

- Combined cleaner/degreaser
- Use on electric sensitive equipment
- Dries quickly
- Low flammability and toxicity
- High purity-very low residues
- Powerful blend of high solvents

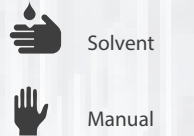

SIZE: 6 X 1Ltr 2 X 5Ltr
CODE: 22001140 22001141

FINAL DRESSING

- Restores plastics, vinyl, coated surfaces-nearly new look
- Quick and easy finishing of surfaces and equipment
- Excellent economy in use
- Removal of oil marks/light contamination

SIZE: 6 X 500ml
CODE: 22001144

RTU HARD SURFACE CLEANER

- Powerful detergency for the toughest grease and grime
- Mild non-caustic formula
- Safe on plastics and metals
- Pleasant fragrance

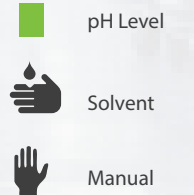

SIZE: 6 X 1Ltr
CODE: 22001145

PLASTIC CLEANER/RENOVATOR

- Removal of ingrained soiling, scuff marks, glues, gums
- Penetrates quickly to loosen and lift soiling
- Thickened formula provides long contact time
- Rinses quickly and easily

SIZE: 6 X 500ml
CODE: 22001146

SEE OUR OTHER BROCHURES FOR ADDITIONAL PRODUCTS

PLANT CLEANER CONCRETE

- Safe, efficient removal of concrete residues from plant machinery
- High foam-longer dwell time, prolonged action
- Safer alternative to hydrochloric and phosphoric acid
- Safe on most metals and will not corrode steel

SIZE: 20Ltr
CODE: 22001404

GUN CLEAN

- Water based alternative to cellulose thinners and paint strippers
- Non-flammable and non-toxic
- Suitable for wide range of paints and coatings
- Softens old dried-on deposit
- Rinses away in water

SIZE: 2 X 5Ltr
CODE: 22001142

PRESSURE WASHING CLEANER ECONOMY

- Economy and low cost.
 - For cleaning vehicles, workshop and plant equipment with corrosion control
- NTA-free, safer to use
 - Biodegradable formulation
 - Versatile-manual or pressure washer application

SIZE: 20Ltr 205Ltr 1000Ltr IBC
CODE: 2001149 22001150 22001151

PRESSURE WASHING CLEANER HD

- Multi-purpose pressure washer additive with latest surfactant technology and less alkalinity than regular heavy duty TFRs
- Concentrated formula-excellent economy in use
- High foam formulation-enhanced detergency
- Low caustic formula-better rinsing, better safety

SIZE: 20Ltr 205Ltr 1000Ltr IBC
CODE: 2001125 22001126 22001127

ANTIMICROBIAL SANITECH

- Sanitising cleaner that gives biocidal control
- Ideal for dealing with tools and equipment used in sewerage and black water applications

SIZE: 2 X 5Ltr
CODE: 22001152

RES DERUST

- Corrosion removal for mild steel, aluminium and certain other alloys
- Removal of corrosion, atmospheric tarnish and de-scaler (hard water)
- Designed for commercial industrial use
- Excellent for single stage cleaning and de-rusting
- Will remove grease and oil marks during use

SIZE: 2 X 5Ltr
CODE: 22000749

RES CITRI TECH

- For galvanised steel cleaning, stainless steel corrosion removal and cleaning
- Removes rust and limescale
- Powerful acidic de-scaler and rust remover
- Thickened formula gives prolonged contact time
- Contains corrosion inhibitors for added protection

SIZE: 2 X 5Ltr
CODE: 22000747

MAINTENANCE PACK

A WORKSHOP MAINTENANCE AND CLEANING STATION CONTAINING FOUR DAILY USE PRODUCTS THAT CAN BE HUNG ON THE WALL OR KEPT IN A VAN

- PACK INCLUDES:
- Maintenance Spray 500ml
 - Final Dressing 500ml
 - Hard Surface Cleaner RTU 1Ltr
 - Electric Safe Solvent Degreaser 1Ltr
- Wire basket to fit to wall or van
 - Hand Pad
 - Cotton Cloth

CODE: 22000726

GLOVES DISPOSABLE NITRILE POWDER FREE - BLUE

- Made from 100% blue nitrile
- Chlorinated on both sides for easier donning and improved grip
- Ambidextrous and non-sterile
- Free from natural latex and safe for use by latex sensitive

SIZE: SIZE 7 SMALL SIZE 8 MEDIUM SIZE 9 LARGE SIZE 10 XL

DESIGNED, FORMULATED AND MANUFACTURED BY US

Our range of own formulation chemical products, have all been designed, formulated and manufactured in our UK plant to a constantly high standard with quality control and full traceability across all lines.

All the raw materials used in our products are REACH compliant and we are fully aware of our legislative obligations and requirements - using Rozone's cleaning products on a regular basis means you have an element of compliance built in.

We've learnt over the years that use of correct application equipment can have a huge effect on the efficiency and efficacy of cleaning operations and that's why we don't just supply the cleaning product itself. We have a range of cleaning machines, application equipment and ancillary goods to compliment our chemicals so your cleaning operations can be performed to the highest standards.
